

Revenue

❖ Reality

- ❖ Income Tax
- ❖ Direct Taxes on Goods and Services
- ❖ GST / VAT
- ❖ Tolls
- ❖ Import Duty / Customs
- ❖ Despite the high rates, due to corruption (Money leaving Muslim lands to Tax Heavens and consequently falling of exchange value leading to inflation), cannot escape the circular debt trap

❖

❖ Future

- ❖ Taxing income is haraam in Islam
- ❖ Benefit from the processing of Natural Resources
- ❖ Zakath, Jizya, Ushr, Kharaaj and Fa'i
- ❖ Stringent laws on corruption, puts an end all following Fitna and Fasaad
- ❖ Primary source of income for the State will be the revenue earned through processing of Natural Resources
